Minutes:

1. The meeting was called to order at 9:19 a.m.
2. Attendance was recorded by Staff.
3. The minutes of the meeting were approved
4. The Board approved the FY12 work program.
5. There was a consensus that the next project should embrace the philosophy of using colors that are prevalent on the Key, architectural styles on the Key, the purpose/setting of the site, and that public art is site specific and should relate to the community and the surrounding environment. The Board discussed "plop" artwork and determined placing artwork that can go anywhere is not appropriate for the Village.
5. There was a consensus to investigate if there can be a temporary artwork project for Winterfest. It was determined to investigate whether "Friends With You" (inflatable, interactive pieces) would be interested. There was a concern that Winterfest occurred around the same time that Art Basil is held.
6. Mr. Trasobares was directed to develop a design for the Bedia Artwork including credit to the Knight Foundation.

7. There was discussion regarding sites for the next artwork project. The following sites were listed for further consideration in no priority order: Community Center Circle, Fernwood Circle at Harbor Drive, Beach Park Entrance, Beach Park, Village Green, the median at the entrance to the Village, and Lake Park. There was a consensus to remove the Fernwood Circle at Harbor Drive due to safety concerns and they did not want to create a "creative nuisance". Ed Meyer suggested that the tower at the Fire Station might be appropriate for "clock" that would also serve as artwork. This suggested was added to the list of sites that would be discussed at the next meeting.

8. The meeting was adjourned at 10:34 a.m. and re-convened at the offices of FRIENDS WITH YOU on October 26 at 1:00 pm. at 393 NE 2 Avenue. The artists made a presentation about their work. Lourdes moved to direct Cesar to pursue a proposal for a temporary project for December 3rd. Gina seconded, unanimous. The Board discussed whether the Bedia dedication should be held during Art Basel. After discussion the Board decided unanimously to schedule the dedication for mid-February. The meeting was adjourned at 2:30 pm.

9. Respectfully Submitted
